About EchoLane

EchoLane is an India-first, artist-centred music platform created to support the discovery and promotion of **original Indian music outside the film industry**. EchoLane serves as a curated discovery and streaming space for both **signed and unsigned musicians**, with the objective of increasing visibility, recognition, and audience reach for independent artists.

EchoLane does not operate as a music label, publisher, or rights-holding entity.

Ownership of Music & Content

All music, artwork, images, videos, and related creative content featured on EchoLane are the **exclusive property of the respective artists, creators, or rights holders** who provide or authorize such content.

EchoLane **does not claim ownership, copyright, or licensing rights** over any music or content featured on the platform unless explicitly stated in writing through a separate agreement.

EchoLane's role is strictly limited to **streaming, showcasing, and promoting artist-submitted or artist-authorized content**.

Artist Authorization

By submitting, sharing, or allowing content to be featured on EchoLane (including via direct submission, social media features, or third-party links), artists confirm that:

- They are the rightful owner of the content, **or**
 - They have obtained all necessary permissions, licenses, or consents required to share the content publicly, and
 - The content does not knowingly infringe upon the intellectual property rights of any third party.
-

Copyright & Infringement Policy

EchoLane respects intellectual property rights and takes copyright concerns seriously.

If any content featured on EchoLane is found to be in violation of copyright, licensing agreements, label restrictions, or third-party ownership **such inclusion is entirely unintentional and accidental**.

Upon receiving valid notice or becoming aware of a potential infringement, EchoLane will **promptly remove or disable access to the content** in question.

EchoLane shall **not be held liable** for any copyright violations resulting from inaccurate, misleading, or unauthorized submissions made by artists or third parties.

Limitation of Liability

EchoLane is not responsible for:

- Any disputes between artists, labels, collaborators, or rights holders
- Any financial loss, revenue claims, or contractual conflicts arising from content featured on the platform
- Any misuse, redistribution, or third-party access to content beyond EchoLane's control

All content is featured **"as is"** for discovery and promotional purposes only.

External Platforms & Links

EchoLane may link to or embed content hosted on third-party platforms (such as YouTube, SoundCloud, Spotify, or other services). EchoLane does not control and is not responsible for the policies, practices, or availability of these external platforms.

Platform Development Status

EchoLane is currently under active development. Features, availability, and platform structure may evolve over time. Information presented on the website or associated platforms does not constitute a binding offer or guarantee of future functionality, monetization, or distribution.
